COMPANY PROFILE

Sunny Young Enterprise Co., Ltd., is a professional manufacturer of various connectors, cable assemblies and wire harnesses since 1985.

With factories located in Taiwan and China for up to 20 years, we offer good factory direct pricing internationally, while still maintaining the high standards, strict quality control, and quick delivery to fit all of your needs. We focused entirely on the OEM/ODM market. Consider with the trend of marketing, we started expand our business to more Computer Peripherals. Such as USB LED lighting, MP3 Players, USB Flash Drives and so on. From Research, and Development (R & D), to Engineering, to a finished product, complete with the packaging of your choice, we offer it all.

“Only the best makes the best.” This is what we are doing now. In order to offer our best service to customers, S.Y.E. keeps developing the R&D abilities in computer, electronics, technical and telecommunication fields.

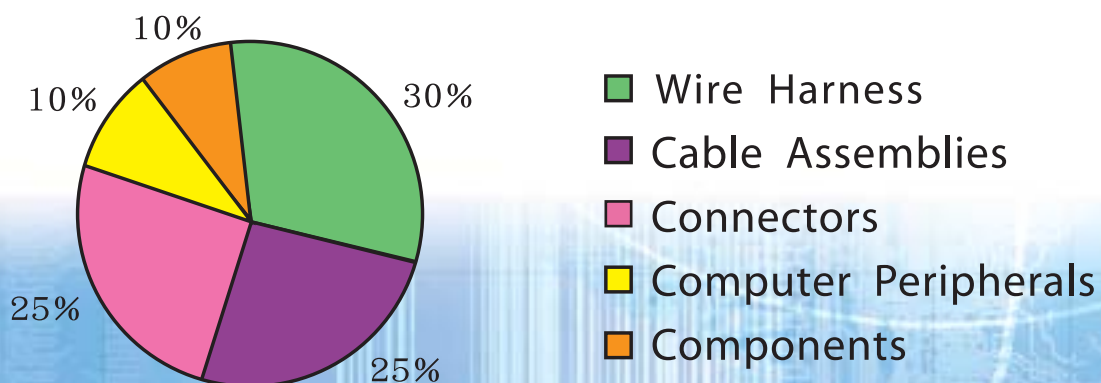

Managing Philosophy – 5R
