Bareggio lì 10/10/2016

Dear Partner,

We are very happy to inform you that from today,

Itecond

is the first company producing aluminum electrolytic capacitors in the world certified by

UL under the file E479600.

Series certified: AY,AYU,ACC,ACS,AZC,AZS.

It was possible to reach this goal after a long period of test. This is the result of our team of research and development. Their continuous push for quality, gave us the possibility to arrive to this.

This very hard certification, is added to ISO 9001 and ISO 14001.

Thank you for your continuous support in the growth of our experience and knowledge.
